- Increases, decreases, or differences described with percent signs indicate percentage point changes rather than percent change based on the original level.
- Visit www.rgvfocus.org for additional information about our scorecard and data sources.
- Calculations are weighted averages based on student population.

- The information presented in this scorecard is the last reported data.
- Due to the consolidation of 4-year institutions of higher education in the RGV, a 4-year standard baseline is not applicable.
